You are now wearing one of the most impressive timepieces in the world. In order to bring your watch to its best possible mechanical condition our Swiss Watchmaker meticulously inspects every aspect of your watch. So that we may ship the watch in excellent condition, the movement has been completely overhauled and lubricated, parts replaced as necessary; timing tested, pressure tested, refinished, refurbished, vacuum pressure tested (for Oyster only), and polished to look as new.

A&E Service Center certifies this watch to be in good condition and warrants the dependable functioning of the watch for a period of **5 Years** from the date of purchase under normal use and service. Water damage, broken parts and damages resulting from mishandling will not be covered under this warranty. This warranty is non-transferable.

A&E Service Center is an Independent Entity and not affiliated in any way to the original Manufacturer of your timepiece, therefore, the factory warranty does not apply. Any service done under this warranty will be performed solely by A&E Service Center. After the purchase, if your timepiece is tampered with, taken apart, abused, or repaired by any party other than A&E Service Center the warranty becomes null and void. In which case, A&E Service Center will not be responsible and will not be held liable for the warranty and or any damages to the watch.

Should you encounter complications with the operation of your watch, please reference your instruction manual or contact the A and E Repair Center information listed above for trouble shooting. If your watch needs servicing please contact A and E Repair Center for detailed shipping instructions. Should moisture or water enter the watch you must ship your watch to A & E Repair Center within *THREE (3)* days to avoid rust damage. You may be held responsible if you do not contact us immediately following visible moisture or water damage. It is your responsibility to use a shipment method that insures your watch for its value.

(PLEASE NOTE: YOUR NAME, ADDRESS, WATCH MODEL NUMBER, WATCH SERIAL NUMBER, AND WATCH DESCRIPTION WILL ALSO APPEAR ON THIS DOCUMENT WITH ANY SERVICE OR PURCHASE FROM A&E WATCHES)
